ESO ESMINT ESNR stroke winter school:

Content of the course	Excelent course, great topics, basis far further, amazing, very appropriate + current topics
Lectures	Very accurate, excellent, too many lectures, hard to concentrate, maybe start of lectures at 9pm
E-voting	More, lack of discussing the voting, very good but pls more
Tutorials	Angio for Neurologist could be didactically improved,
Case discussions	Very short,
Courses Neurology	Course Prof. Wiest very good,
Hands-on Simulator	Too short, very useful
Hands-on Angiolab	Too short, very useful, more time in the Angiolab
Auditorium	Talks on a USB or List of references in a email, lil cold there, at the start of course small textbook with slides of presentation and make some notes
Tutorial rooms	
Information	Super organised,
Hotel	
Lunch	Excellent,
Dinner	Group bus 1 st and 3 rd Dinner, with Funiculare alone, top, extraordinary
