ESMINT News & Updates

Dear ESMINT Community,

As we prepare for the upcoming ESMINT Congress, this month's updates reflect the full scope of our activities - from the official notification for the General Assembly to new educational offerings, international collaborations, and research-driven sessions. Your voice, through our community survey, remains a key part of shaping what comes next.

We're excited to share what's ahead - and to grow, together.

Society

General Assembly

The ESMINT General Assembly 2025 will take place on 3 September at 18:00 CEST at the Palais du Pharo in Marseille, on the first day of the ESMINT Congress. The official notification has already been sent to all members and is also available online, along with the preliminary agenda.

Education

EXMINT 8.1 Registration

Registration is open for EXMINT 8.1, taking place online from 3-7 November 2025. The course offers structured, theoretical training in ischaemic stroke intervention and is part of a two-part programme endorsed by ESO and CIRSE. Completion qualifies for the EDSI exam.

Research

SHERPA Session

Join the dedicated SHERPA Outreach Session on Friday, 5 September during the ESMINT Congress. Discover how this EU-funded project brings together clinicians, researchers, and industry to co-develop smart assistive technologies for interventional radiology - from simulation and automation to patient follow-up and AI-based detection.

Outreach

ESMINT @ SNIS

ESMINT were delighted to attend the SNIS Annual Meeting & Fellows Course in Nashville from 14-18 July. Highlights included the joint session, co-moderated by General Secretary Christian Taschner, and a talk by President Anne Christine Januel on EU training. For the first time, the ESMINT Office joined the exhibition - reconnecting ahead of Marseille.
