Late Breaking Abstracts

Submit your **Late Breaking Abstracts** for presentation at the ESMINT Congress in Marseille. This category is dedicated to **new findings** that were not available during the first submission period. Don't miss the opportunity to share your latest research with the neurointerventional community.

Submit your abstract

Case Forum Live

For the first time, the webinar-based **Case Forum** comes to the Congress as a session. Join moderators and colleagues to discuss challenging neurointerventional cases, compare treatment strategies and exchange perspectives in one of the Congress's most interactive educational formats.

Discover the session

Coffee & Cases

Take a break, grab a coffee and join the conversation. Meet leading neurointerventionalists in an informal setting to discuss **challenging clinical cases**, exchange experiences and explore different approaches to everyday practice during the ESMINT Congress coffee breaks.
