

Keep Connected

ESMINT News & Updates

Dear ESMINT Community,

This edition is packed with updates and opportunities from across our society. From CME credits for Case Forum recordings and exclusive travel discounts for the ESMINT Congress to hands-on education highlights, research funding, and a recap of ESMINT@ESOC 2025 – there's something for everyone.

Let's keep building knowledge, connections, and innovation – together.

Society

Member CME Benefit

As an ESMINT member, you can watch all Case Forum recordings (#5–14) on demand – and earn CME credits!

This exclusive benefit supports your continued professional development and helps you stay up to date with key cases in neurointervention.

Congress

Congress Travel Discount

Planning your trip to the ESMINT Congress 2025? ESMINT members can benefit from up to 10% off on AIR FRANCE, KLM, and partner flights.

The discount applies to travel between 27 August and 12 September 2025. Book in EUR to activate the offer.

Education

Skills Training 2.1

The latest edition of our in-depth course concluded successfully, with participants actively engaging in hands-on sessions and case discussions focused on Endovascular Stroke Treatment. Congratulations to all on their dedication and achievements throughout this intensive learning experience!

Research

Pilot Research Grant

The ESMINT Pilot Research Grant Program is back for its second year! ESMINT members, especially trainees and junior researchers, can apply for grants to support innovative clinical or experimental research projects focused on advancing interventional neuroradiology techniques and patient care. Deadline: 23 June 2025.

Outreach

ESMINT at ESOC

ESMINT had a strong presence at ESOC 2025 in Helsinki – with a joint scientific session, ESO-ESMINT hands-on thrombectomy workshops, and an information table onsite. We're already looking forward to ESOC 2026 in Maastricht, led by Congress President Prof. Dr. Wim van Zwam, Chair of the EXMINT Committee.
