## ESMINT News & Updates

Dear ESMINT Community,

As we move into the final months of the year, November brings a fresh selection of updates from across the society – including news on the ESMINT Congress 2026, recent course highlights, upcoming webinars, and developments within our research and network activities. This edition also provides a look ahead at opportunities for engagement, education and collaboration as we prepare for the year to come.

### Society

#### Membership Benefits

Your membership is always valid for a full year – whether you join in November or in January, you don't lose anything, but you gain access to exclusive resources, educational opportunities, and a global network of experts. **Become an ESMINT member today** and unlock new possibilities for your professional development.

### Congress

#### ESMINT Congress 2026

Save the date for 2-4 September 2026 in Marseille. Led by Congress President Prof. Dr. Franziska Dorn (University Hospital Bonn), the motto **"Connecting minds, improving lives"** highlights the power of collaboration and knowledge exchange in advancing neurointerventional care.

#### Programme Steering Committee

For the first time, the ESMINT Congress will be guided by a **Programme Steering Committee** – a dedicated group of experts responsible for shaping the scientific direction and ensuring a high-quality, practice-oriented programme for Marseille 2026.

The committee is led by Congress President Prof. Franziska Dorn (University Hospital Bonn, DE) and includes Dr. Fabian Arnberg Sandor (Karolinska University Hospital, Stockholm, SE), Prof. Isabel Fragata (Centro Hospitalar Universitario de Lisboa Central, PT), Prof. Jan Gralla (Inselspital Bern, CH) and Dr. Luca Valvassori (AO San Carlo Borromeo Milano, IT).

Franziska Dorn

Fabian Arnberg Sandor

Isabel Fragata

Jan Gralla

Luca Valvassori

In addition to the Programme Steering Committee, the congress leadership consists of Congress President Prof. Franziska Dorn and Vice-Presidents Dr. Ivan Vukasinovic, Dr. Kamil Zelenak and Dr. Luca Valvassori. A dedicated Scientific Committee, responsible for evaluating and rating abstract submissions, will also be appointed.

Together, these structures ensure a strong and forward-looking scientific framework for the ESMINT Congress 2026 in Marseille.
