ESMINT

11th Congress 2019

Congress Impact Report

11th ESMINT CONGRESS

- The ESMINT Congress 2019 was a milestone meeting in the field of neurointerventions.
- It brings together more than 950 participants to exchange science and advance the field.
- It fosters discussions of new neuro-interventional solutions as well as novel technologies and standards to improve patient care.

NEW in 2019

- EYMINT – a 1-day-session for young interventionalists
- Award for the Best European Publication in JNIS
- EXMINT Diploma – a qualification in theoretical stroke treatment
- Honorary Member: Professor Emeritus James V. Byrne MD FRCS FRCR
